**Any and all Torontonians** are invited to submit **any work on paper**, including, but not limited to, poetry, photography, prose, and drawings. We invite you to think about:

*How do you see Toronto?  
What memories do you have of the city?*

**Opening Reception: August 22, 2013, 7:00pm to 10:00pm** in The Gladstone's Second Floor Gallery. The works will be exhibited from August 22 - September 2, and will be compiled into a digital archive.
